PLEASE, SEE THE SHORT PREVIEW OF THE RESERVATION PROCESS:

The bungalow and hotel reservation will start at the 1st of August, and we will send you notification about the exact timing later on. One person can reserve one bungalow or room, and he/she has to click on the "Accommodation" link on the mainpage of the website. On the opening page, the reserving person has to give his e-mail address (the same address which had been given during the registration for IMM2012), and the full 13 digit registration number which can be found on the voucher sent out after the payment received.

The system automatically verifies the provided identification data, and if it is correct, redirects automatically to a page where it is possible to select the required bungalow, or hotel room.

If the bungalow had been selected, a page opens with the basic details of the bungalow or hotel, and the "Reservation" button. Please push the button to start the reservation, after verifying the details of the selected bungalow. The available bungalow and room numbers, and the prices can be seen there as well. After selecting the bungalow at the opening page, please provide the full 13 digit registration number of all the persons who intend to stay in the bungalow or the hotel room. If the number is not correct, or the registration is not valid an error message will appear. Please note, that the registration is made according to the selected zone at the time of the registration. If you registered yourself to another zone, than you cannot stay in a house which is in another zone!

After if you filled up the necessary fields, please click on the next button, and the Payment option page opens. From now on, it is the same as by the registration for IMM2012. You have to choose the way how you want to pay, and accept the terms and conditions too. After that, you will have your pro-forma invoice, what you will receive by e-mail. The proforma needs to be paid within 10 days after the reservation. If the amount will not arrive to our account within the specified date, your reservation will be cancelled, and the bungalow is available again to reservation.

Please send this letter to as much of your Mini friends as it is possible!
